Arizona State University – Tempe, Arizona Graduated May 2016
Bachelor of Arts: Journalism and Mass Communication

WORK EXPERIENCE

V1 Video Tech – Knockdown Center 11/2025 to Current

- Led video builds and show operations for dozens of concerts at a leading New York City venue, including productions for Madonna, Underworld and more.

V2 Video Tech – Brooklyn Mirage/Knockdown Center/Pacha NYC 6/2023 to Current

- Built, cabled and operated massive LED video walls for large-scale concerts including Martin Garrix, Sublime, Anyma, Black Coffee, Pretty Lights, Deadmau5, Tiesto, Kim Petras and many others.
- Proficient in multiple types of LED panels, including replacing microchips, swapping modules, and any other troubleshooting that would be needed.
- This also included setting up cameras such as PTZs and Marshall cameras, and running neat and tidy lines for use on stage during performances with some live switching and camera operating at front-of-house.
- The video team continued to stay on board and build Pacha NYC, which opened up to be the biggest club in New York City.

Staff Reporter – New York Jewish Week/JTA (New York, New York) 3/2022 to 6/2023

- Reported on Jewish life across New York, which includes the Mayor and Governor's office, antisemitism, the Orthodox community, restaurants, entertainers, galas and more. I won a Rockawer press award for my reporting.
- Wrote enterprise pieces ranging from scandals within the religious community, how Israeli business intersects with New York City politics, and covering the right-wing influence in religious Jewish circles, where I attended events that featured Florida Gov. Ron Desantis and former President Donald Trump.
- This included breaking news, taking pictures and video, writing social media captions, setting up WordPress and, production assistant work such as setting up cameras, microphones, lights, video editing and more.

Field Reporter – The New York Post (New York, New York) 10/2019 to 4/2020

- Wrote about any number of breaking news pieces including crime, politics, the courts, anti-Semitism and the Coronavirus.
- Interviewed high profile public figures and attended press conferences for people such as former Governor Cuomo, former Mayor De Blasio and Senator Schumer.
- Worked on a tight deadline and managed high-stress situations while always delivering a story.

US News Reporter – MetroUK/DailyMail (New York, New York) 8/2020 to 12/2020

- Wrote numerous articles per day that ranged from crime stories and exclusive features to breaking news and politics.
- Included editing stories on Wordpress, self-publishing them on the homepage and arranging them for social media pages with millions of followers.
- The focus was on the US election, which included covering every bit of news to come from Trump and Biden as the country geared up for November. This included long hours in the office, especially on election day.
